*Rush Fees may apply for short deadlines

Sound Effects/Sampling/Sound Design: Per Bid based on amount of work required

Sampling and sound effects are a great way to add effect to your show!

Drill/Visual Design

Drill Design Includes:

- Drill Charts (Student View and Director View) with written instructions and problem shooting.
- Coordinate Sheets for Students
- Animations with Music (if recordings are available)
- Rush services (3 days or less) available for an additional charge

Level 1 Drill: \$15 per position (\$600 minimum)

Suitable for Jr. High Bands or High School bands whose main purpose is performing at region festival for ratings. Difficulty ranges from very easy to medium. Average 10-25 pages.

Level 2 Drill: \$20 per position (\$800 minimum)

Suitable for High School Bands wishing to compete on a state or regional level. Special attention is given to creating effect through movement and staging. Difficulty ranges from Medium-Easy to Medium-Advanced. Average 25-50 pages.

Level 3 Drill: \$25 per position (\$1200 minimum)

Suitable for High School Bands wishing to compete on a regional or national level. Special attention is given to creating effect through movement and staging. Difficulty ranges from Medium to Advanced. Average 50-80+ pages.

Additional Services:

Number Adjustments: \$10 per position per completed Drill (applies to drills that have been delivered)

Visual Design

Services can include:

- Uniform Design for Colorguard or Band
- Equipment Design for Colorguard (will receive JPEGs for Digitally printed flags when necessary)
- Prop Design (includes JPEGs for printed props when necessary)

Choreography

Colorguard Choreography Includes:

- Video of routine explained to counts
- Count Sheet of routine coordinated with measure numbers
- *Please note that vocabulary/names of fundamentals may vary
- Please note that I only accept a VERY limited number of colorguard clients

Level 1 Colorguard Choreography: \$750

Basic colorguard choreography involving primarily equipment moves with limited Body Involvement.

Level 2 Colorguard Choreography: \$1000

Intermediate colorguard choreography involving more usage of diagonal planes, body layering, and sequential guard work to create increased effect

Level 3 Colorguard Choreography: \$1500

Advanced colorguard choreography that utilizes the full range of expressive and angular dimensions of colorguard. Body layering is more advanced and more advanced concepts, staging, and effects are achieved.

Wind Choreography includes:

- Video of visuals explained to counts
- Count Sheet of visuals coordinated with measure numbers:

Wind Choreography: Per Bid (Ranges from **\$200 - \$1000** depending on difficulty/amount)
