Program Notes

Time will tell what the historians will say about the Covid-10 Pandemic which began in late 2019. Some will argue about its global ramifications, but for myself, the real tragedy is in the smaller stories. It is in the time that we have lost with family and friends. It is in the graduations, holiday gatherings, and communal celebrations that were foregone. And, of course, in the lives that have been lost.

Creer was commissioned in memoriam of one such soul lost to this pandemic. Sandy Rodriguez was the secretary for Ropes Elementary School in Ropes, Texas. By all accounts, she was a beacon of light for the students and community at large. Her rallying cry "Believe!" serves as the inspiration for this work.

The piece begins with a solemn motive stated in guitar, before blossoming into a series of lush chords. A solo trumpet enters next, offering a small, nostalgic melody in memory of those gone too soon. The work develops as the voices find more strength, before arriving at a powerful climax, reminding all of those listening that, even in the darkest of times, to continue to believe. Ultimately, the work is a contemplation of loss, hope, and memory.

Creer was commissioned by the Ropes High School Band (Ropes, TX) and their director, Mrs. Ashley Blount. I wish to thank them for allowing me to create a small offering in memory of Sandy.

Peace, Love, and Music.

Rehearsal suggestions

-The guitar part can be played on acoustic guitar, synthesizer (set to acoustic guitar), or on mallets (I would recommend Vibraphone as my first choice). However, a piano would also be acceptable.

-Dynamics should be noticeable and taken to extremes.

-Performances of the work should have a dramatic, cinematic quality.

-The trumpet solos should have a very noticeable vibrato if possible.

-The mallet parts should be very prominent within the balance throughout.
